Super Tuscans

The term 'Super Tuscan' emerged in the 1980's in response to the rigid wine laws imposed on the varieties permitted in Chianti DOC, even 100% Sangiovese wasn't permitted at the time! International varieties Cabernet Sauvignon, Cabernet Franc, Merlot and Syrah weren't permitted yet a handful of producers rebelled and pursued these rich, bold international styles and due to global success, they were coined 'Super Tuscans'.

GRAPPA & AQUAVITE

One of the worlds oldest spirits Grappa is made from the pulpy leftovers from grapes after they are pressed in the making of dry wine. Grappa or Aqua Vitae - 'water of life' was historically made by Italian farmers who used is as a digestive or to top up the fuel tanks in their Fiats! But despite its rough beginings, grappa distillers have embraced modern distilling techniques and aging in oak to create a contemporary spirit of refinement and real character.
